PRINCIPAL'S MESSAGE

To My Dear Friends
Graduates of Graceville High
Class of 1957-58

Joseph Parry has expressed in his poem "New Friends," my message to you.

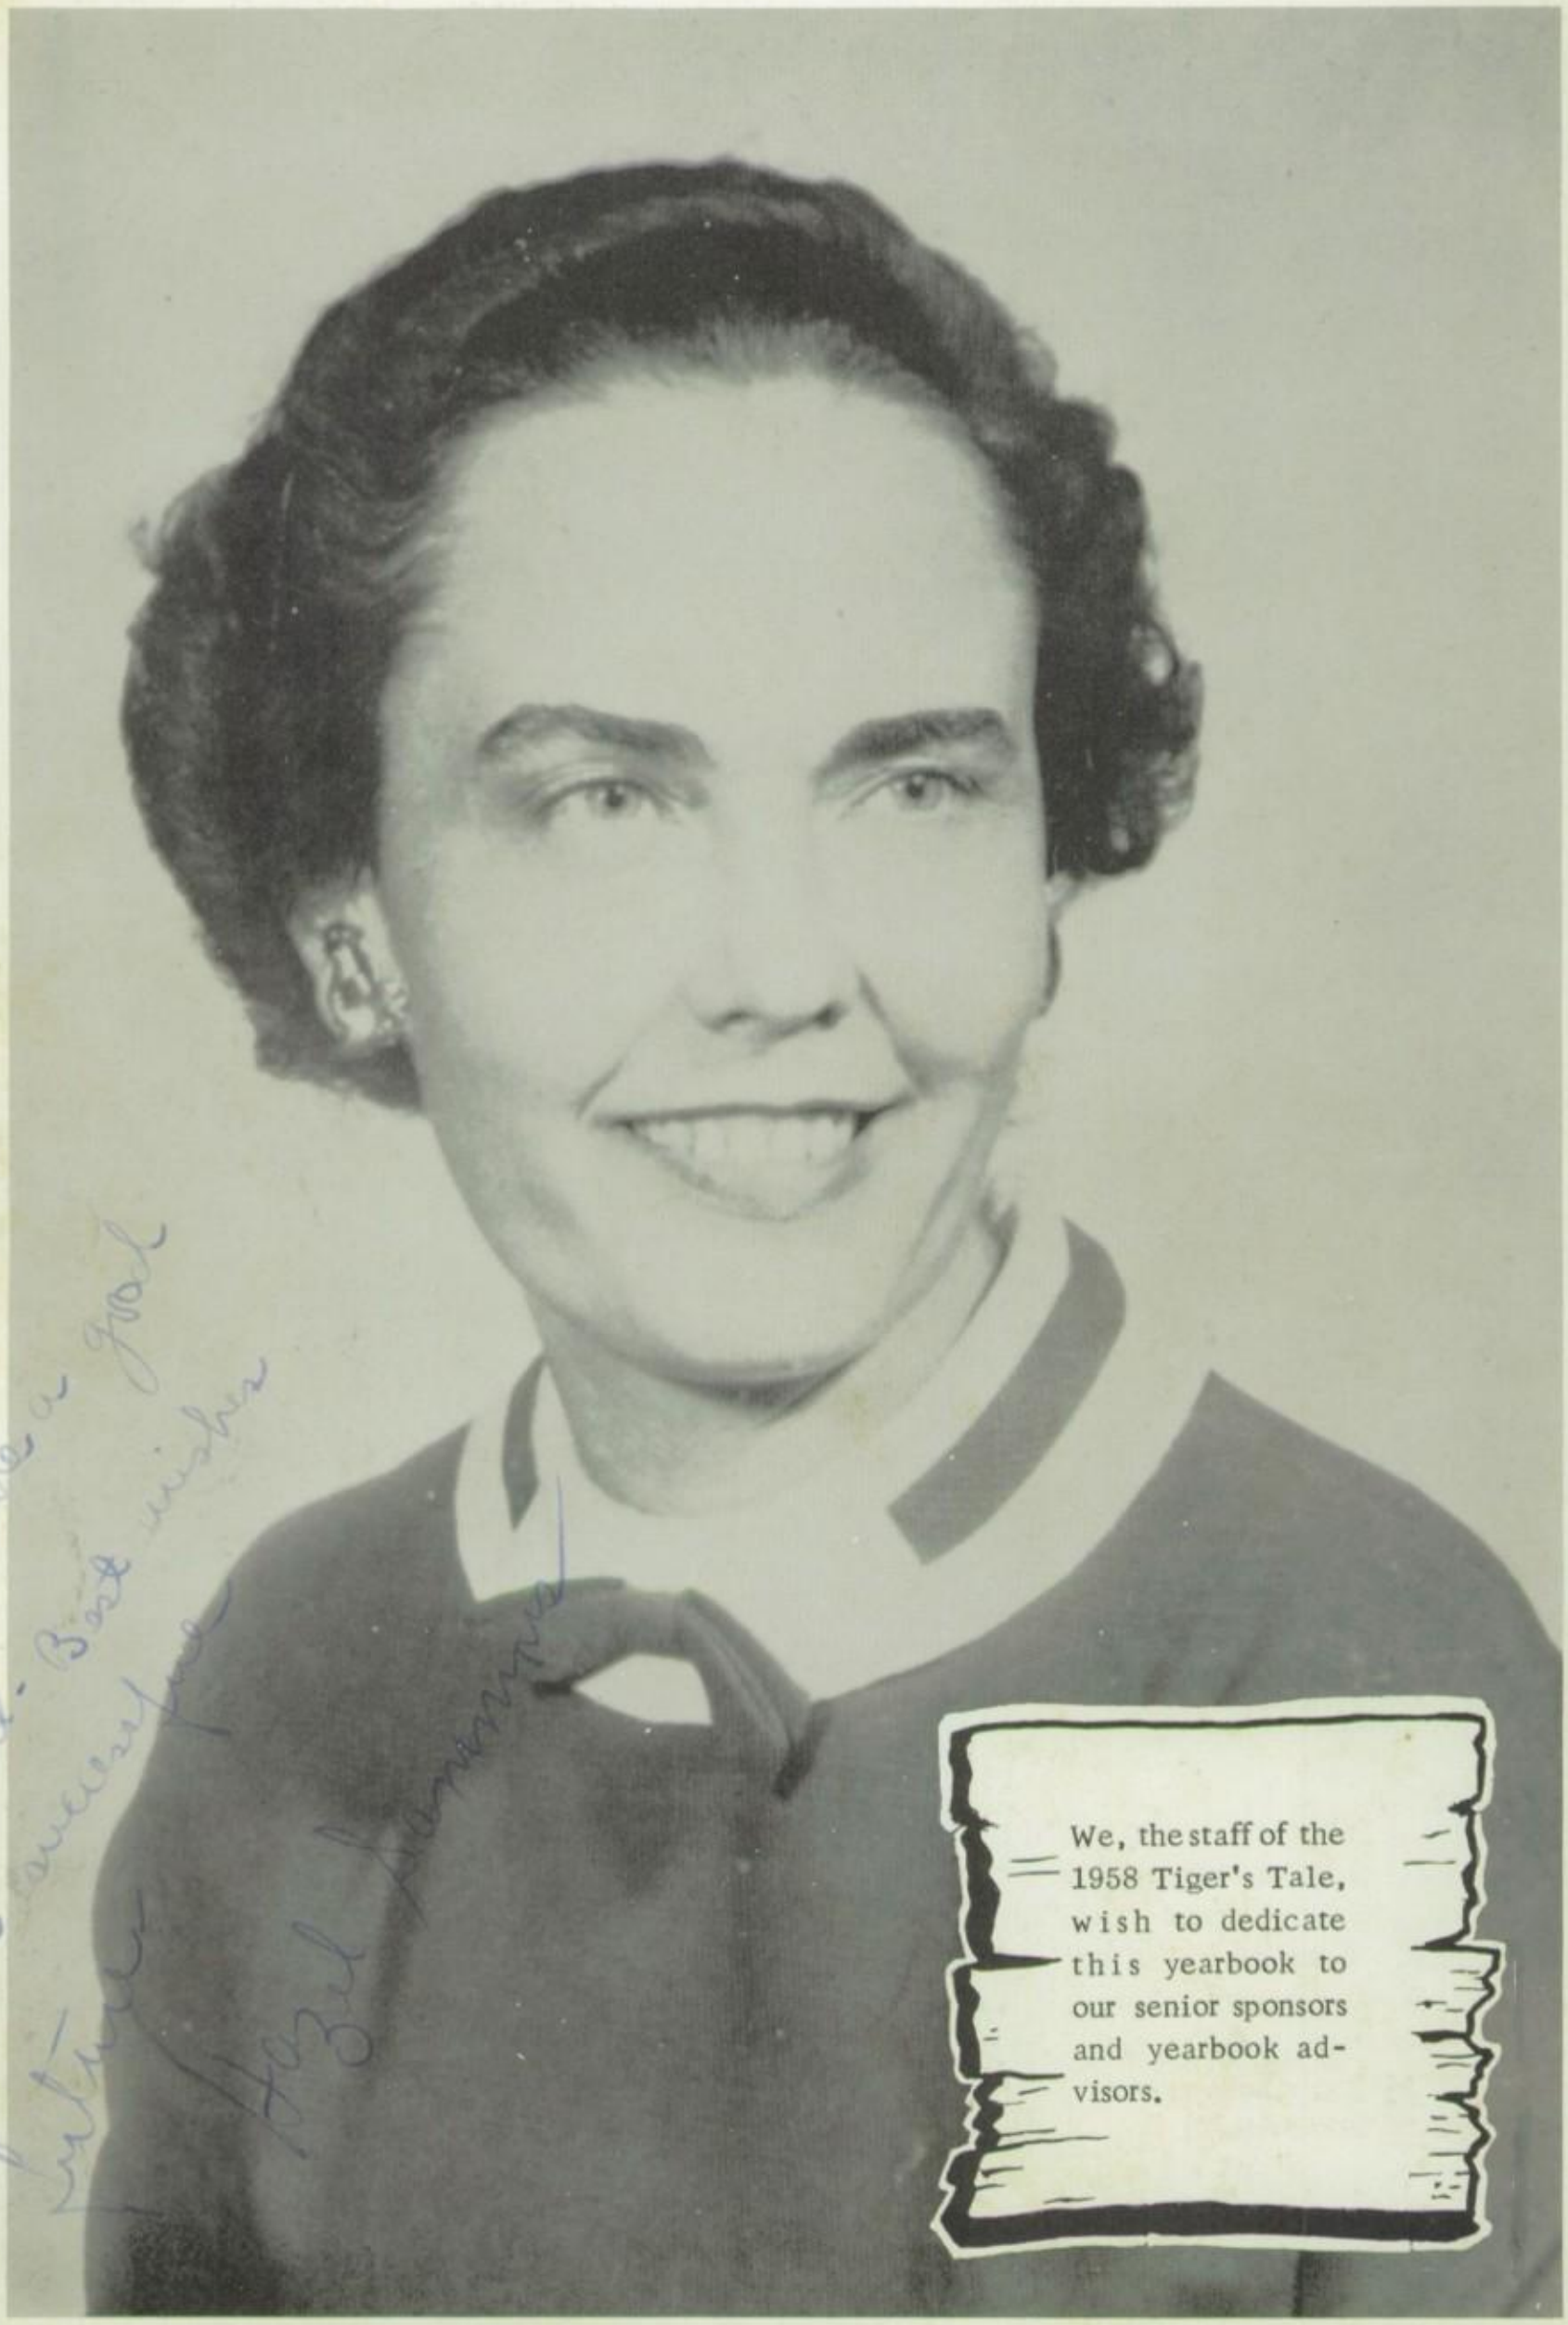
"Make new friends, but keep the old;
Those are silver, these are gold.
New-made friendships, like new wine
Age will mellow and refine.
Friendships that have stood the test -
Time and change are surely best;
Brow may wrinkle, hair may gray,
Friendship never knows decay.
For mid old frineds, tried and true,
Once more we our youth renew.
But old friends, alas! may die,
New friends must their place supply.
Cherish friendships in your breast -
New is good, but old is best;
Make new friends, but keep the old;
Those are silver; these are gold."

Best wishes and many pleasant rewards for your many years of hard work. May I remain forever one of your many old friends.

Sincerely yours,

S. W. Rayburn

Principal



We, the staff of the 1958 Tiger's Tale, wish to dedicate this yearbook to our senior sponsors and yearbook advisors.

THE SENIOR CLASS HISTORY

The class of 1958 made their entrance into the field of education in the fall of 1946. However, at that time we were not primarily concerned with learning.

What we thought was hard work in the elementary grades turned out to be mere play as compared to what we met in high school.

Those who began school here at G. H. S. were: Jerry Williams, Penny Williams, Julia White, Joan Pelham, Bill Clark, Buddy Ricks, Joe Morrow, Ruth Lynn McDonald, Carrie Mae Clark, Betty Joyce McCrone, Virginia Hicks, Donald Bedsole, Jimmy Miller, Jerry Pelham, Earl Slater, Buford Champion, Bugs Spears, James Earl Worley, Billy Joe Williams.

Additions to our class were:

Second Grade: Elynor Kindig, Camilla, Georgia; Billy Joe Shields, Panama City, Florida.

Third Grade: Patsy Franklin, Poplar Springs; Peggy Riley, Washington, D. C.; Virginia Hicks rejoined our class after a short stay in Dothan, Alabama.

Fifth Grade: Janet Spears, Pinkard, Alabama.

Sixth Grade: Sarah Catherine Ming, Union; Iris Allen, Crestview, Florida; Jimmy Miller, who had transferred to Union rejoined our class. Billy Joe Shields rejoined us from Pensacola, Florida.

Ninth Grade: Harold Register, Charles Calloway, Billy Odom, Lutrille Pitts, Pearl Cartwright, and Ann Hamm, Union. Billy Joe Williams rejoined our class from Union.

Tenth Grade: Joel Parish, Pensacola, Florida; Sarah Creel, West Palm Beach, Florida; Iris Allen rejoined our class from Marianna, Florida.

Eleventh Grade: Harvey Sharron, Campbellton, Florida; Billy Joe Shields rejoined our class from Bonifay, Florida.

Twelfth Grade: James Earl Worley, from Los Angeles, California, rejoined our class.

HIGHLIGHTS OF OUR HIGH SCHOOL CAREER:

NINTH GRADE: Sponsors: Miss Ellyn Dudley, Mr. W. L. Kitching. Our class float won first prize in the Homecoming Parade. Julia White and Jerry Williams were crowned Halloween King and Queen; and Penny Williams and Buddy Ricks received the American Legion School Awards. We celebrated the end of a successful school year with a party at Blue Springs in Marianna.

TENTH GRADE: Sponsors: Mr. Harry Landrum and Mr. Hugh Wooley. Our float won the "Most Beautiful" and the "Best Decorated" prizes in the Homecoming Parade. We entertained the Seniors with a party at the beach in Panama City.

ELEVENTH GRADE: Sponsors: Mrs. Albert Boyd and Mr. Mike Saliba. Our class received a prize for the best skit at Tiger Growl with our presentation of "A Tragic Triangle." We also received a prize for the "Most Original" float in the parade. We sold magazines, and did various other money-making projects during this year. We presented "The Katz Whiskers" which proved to be very successful. We sponsored a "Harvest Hat Hop," "Patches Party" and "Queen of Hearts Ball." We entertained the Seniors at an "Oriental Banquet" in the Chipola Hotel in Marianna. Penny Williams and Jerry Williams were selected to go to Girls' State and Boys' State in Tallahassee, Florida.

TWELFTH GRADE: Sponsors: Mrs. Mary Clyde Mixson, Mrs. Hazel W. Sammons. Homeroom Teacher: Mr. Homer Underwood. We again won the prize for the "Most Original" float in the Homecoming Parade. We sponsored a "Turkey Trot" in the gym, and a Beauty pageant to select "Miss Graceville" for the Peanut Festival in Dothan. We conducted various money-making projects such as bake sales, selling Christmas cards, and suppers to help pay for our class trip. Our big project ot the year was making the '58 edition of TIGER'S TALE.

CLASS PROPHECY

January 28, 1968
Miami, Florida

Dear Iris,

Your letter reached me when I needed it most. It seemed so good to settle down and read it after a hard day's work. You can imagine what it's like modeling all those fabulous clothes for Burdines here in Miami and then going home to cook supper for a husband and four growing children! My! It's a job leading the double life of a career girl and housewife.

I can't imagine you traveling all over Europe as a talent scout for M. G. M. movies. It must be an exciting life scouting for all those handsome Italian and French actors. My, what does your poor, old husband back home think of this?

Your letter was really quite newsy. I hadn't heard about Patsy and Virginia being married. I know their life will be one sweet song in the cozy homes they're building. Imagine Patsy giving up her job as Office Manager of the R. E. A. to become a navy wife and Virginia giving up her job as Physical Education teacher to marry the coach!

I guess you saw Joe's opening show on TV last week. Isn't it wonderful that he's taken over Arthur Murray's "Dance Hour?" He invited me to come up and be his dancing partner on next week's show. What a temptation! He was always such a good dancer.

Guess who came by to see me in his brand new Cadillac convertible? None other than my favorite cousin, Jerry. He was taking a week's vacation at a beach resort here in Miami. I guess he is pretty overworked. You know it's no easy job giving away all that money on his "Million Dollar Giveaway" program on TV. He told me all about the success of his old army buddy, Joel. It seems that after he completed his army career, a rich uncle of his died and left him a huge sum of money. You can imagine what he did with it. The last Jerry heard of him he was touring the French Riveria, throwing away all that money on wine, women, and song. He always was a playboy at heart not to mention his charming way with the girls.

So Betty Joyce has been disappointed in love and is now nursing her bitter hate for the opposite sex as a proprietor of a "Bachelor Girls Tea Room" where all the lovelorn maidens find a haven of rest and comfort. I hear Sarah Creel visits her quite often. It seems as if her fiancee felt she was putting her career as a private secretary ahead of him and just walked out on her.

I was so glad to hear of Ruth Lynn's success as an airplane stewardess for T. W. A. It seems that she's made quite a career of it, not to mention the fact that her charming smile has captured her pilot's heart.

It seems that Sarah Catherine majored in English at Troy State Teacher's College and is planning to take over "Our Miss Brooks" television show.

By the way, have you heard of Pearl Cartwright's success as a pop singer. I hear her latest hit record "Elope Baby" has topped the million mark. I guess you know Lutrille Pitts is a telephone operator for the Bell Telephone Company, in Chipley, Florida. I bet she could write a gossip column that won't wait!

Do you still keep up with all our old classmates who still live in Graceville? I hear Donald has taken over the "Little Market" grocery business. It seems he's quite a man about town. He's been to see the same girl four Sunday afternoons in a row. Do you mean Billy Odom now owns the Chevrolet business in Graceville? I figured he'd be a successful businessman someday. I couldn't imagine him eloping with that cute little society girl from Cottondale. He must be quite a sight! Speaking of the car business, I heard Jerry Pelham and Charles Calloway are test-driving the new model cars for the Chrysler Corporation. They always were quite handy with a car.

Last Monday night I was listening to James Earl Worley, who's now a radio announcer for the "Lonely Heart's Club," and was astonished to hear of two successful businessmen, Jimmy Miller and Harold Register advertising for wives. My, what a temptation! I wonder what lucky girls will answer the advertisement?

Can you imagine who I saw lunching with her boss at one of the resort hotels here in Miami? It was none other than Julia White. It seems she's a private secretary for a noted Hollywood playwright. I read in some movie magazine that they had been seen together at all the top

CLASS PROPHECY CONTINUED

night spots. I don't suppose she could have been taking dictation.

Speaking of Hollywood, you know Janet was top hair-stylist for Paramount. She always was handy with a comb and brush. I remember when she used to fix mine during English class. Remember our good old high school days and our Junior Play "The Katz Whiskers." You remember what a sensation Bill Clark was in it? Well, I hear he's made his debut "Will Success Spoil Bill Clark?"

Well, I guess you've heard the big news. They say Harvey Sharron, who majored in law at the University of Florida and is now a State Senator, is talking about running for Governor. If I remember correctly, he was voted "Most Likely to Succeed." Well, I guess he's lived up to it. Talking about succeeding in this old world, what do you think of Billy Joe Shields? It seems, after making All-American and playing professional football, he decided to take over a quiet little business and settle down. I hear he now owns "Bea's Drive-In," but now he's giving the orders and Bea's taking them. Talking about Bea's, remember all the good times we all had there. My, those were the good old days!

Remember how well Billy Joe Williams could draw? Now he's become famous for those crazy little advertisements he draws for Wildroot Cream Oil.

I was surprised to hear that Elynor is now a flight nurse overseas. She always was a patriotic soul. I think she's doing the U. S. Army a wonderful service, not to mention the way she boosts the soldiers morale. By the way, I guess you heard Peggy Riley now owns the horse who won the "Kentucky Derby." She always did love horses and now she owns stables of them.

I hear that James Earl Slater and Buford Champion are two of our top research scientist in our "Rockets and Guided Missiles" program. There's been talk that they would launch a rocket to Pluto.

Have you heard of Joan's recent achievement? It seems that she finished college with such high marks that she landed a job as English professor at Chipola Junior College and that Ann Hamm also was successful in her college work and is now Dean of Women at Florida State University.

I guess you've read Carrie Mae's best seller, I WAS CHAMPION GIGGLER FOR NINE FANTASTIC YEARS. She's making a fortune with it. The title's so catchy.

Did you read the front page article of the NEW YORK TIMES today? I could hardly believe my eyes when I saw that picture of our old classmate, Bugs Spears. He's begun calling himself Hollis O'Ferrell since he's made headlines with his amazing discovery of a cure for ingrowing toenails.

I know you were surprised to hear that Carol Southerland, who joined our class during our Senior Year, has finished her college days at Stetson, married the Dean and is now giving orders on how to run the school.

And last, but not least, is Buddy Ricks. Bless his dear old heart. He gave up his career as a Civil Engineer after he built a bridge connecting Hawaii to the United States and married a red-headed widow with six children and a farm. He raises crops, but it's doubtful about the children.

Well, I guess I'd better close for now. Do let me hear from you again, especially if you discover an Italian star as exciting as Sal Mineo was in our high school days. I've really enjoyed discussing all our old classmates and I am looking forward to seeing them at a reunion in the near future. Write me again soon and - oops! I smell supper burning. I'm still having trouble trying to boil water without scorching it. Good-by for now.

Lovingly, your old classmate,

Penny

P. S. I wonder what's become of our class sponsors, Mrs. Mixson and Mrs. Sammons, and also our homeroom teacher, Coach Underwood. Wouldn't you just love to see them?

My Dear Friends:

As you approach graduation you will be required to make some very broad decisions as to whether you will go to college, go into service, or enter your chosen vocation. I trust they will be wise and reflect the fine training you have had through school.

Your family, instructors, and friends are expecting a lot of you. Put your faith in God, your eyes on a star, and may your attainments exceed your expectations.

With very kind personal regards and sincere good wishes, I am

Yours very truly,

THE STAFF

of

the 1957-58 Edition of

THE TIGER'S TALE

wish to thank all the

advertisers who made this

publication possible.

We hope you like this edition of THE TIGER'S TALE. For any error that might occur, we ask your pardon. We think the following lines may well state our situation:

STAFF'S DILEMMA

Getting out a publication is fun, but it's no picnic.
If we print jokes, people say we are silly.
If we don't, they say we are too serious.
If we clip things from other publications,
We are too lazy to write them ourselves.
If we don't, we are too fond of our own stuff.
If we don't print contributions, we don't appreciate
true genius.
If we do print them, the page is filled with junk.
Now, very likely, someone will say we swiped this from
some other publication---
We did.

I hope all of your Wishes Come true. Love ya"!
Wanda Whitfield
